Technical Textiles International 2015 Suppliers Directory

Listed below is a selection of some of the most important companies operating in the technical textiles industry. The listings include textile machinery manufacturers, fibre producers, yarn manufacturers, fabric knitters, nonwovens producers, dyers, finishers, chemical suppliers and other suppliers of goods and services, both to the industry and to end-users.

Ahlstrom

Ahlstrom offers high performance products for clean and healthy environment. Our products are used in many industries including Transportation, High efficiency air, Liquid and Laboratory & Life science filtration.

Email: filtration@ahlstrom.com - Web: www.ahlstrom.com

Amann & Söhne GmbH & Co. KG

Amann & Söhne offers market specific solutions in the machine tools industry. For over 150 years we have been in the business of providing the highest technical standards for a variety of industries.

Email: service@amann.com - Web: www.amann.com

ANDRITZ

Leading nonwovens systems supplier, turnkey drylaid nonwovens lines. Engineering and manufacturing of cards, crosslappers, drafters and needlelooms.

ANDRITZ Asselin-Thibeau SAS

41 Rue Camille Randoing, 76504 Elbeuf / France
Phone: +33 (0)2 32 96 42 42 Email: asselin-thibeau@andritz.com
Website: www.andritz.com/nonwoven

Archroma

Archroma is a global leader in the field of specialty chemicals. Brands like Appretan®, Cassurit®, Nuva® and Peko/flam® are our success factors for technical textiles.

Email: textile.specialties@archroma.com - Web: www.textiles.archroma.com

BASF

Putting *FUTURE into Textiles. BASF is continuously developing new solutions together with customers, tailoring them to the needs of the technical markets of today and tomorrow.

Tel: +90 216 570 3573/3575 Fax: +90 216 570 3569 Email: putting-future-into-textiles@basf.com - Web: www.basf.com/textile

Bekaert

Bekaert transforms metal and other fibres into high-performance yarns, woven and non-woven fabrics, knitted structures, used in anti-static, conductive, shielding, heat resistant and heatable textile applications.

Email: stainlesssteelfabrics@bekaert.com - Web: www.bekaert.com
